Typowe problemy w pracy w zespole

1. Różne wersje PHP
2. Różne wersje WP
3. Brak Pluginów
4. Różne wersje Pluginów
5. Brak spójnej bazy

The image features a dark, atmospheric scene of a cave entrance. The cave's interior is rendered in various shades of deep red and magenta, with jagged, layered rock formations that create a sense of depth and mystery. At the very center of the cave, a small, bright blue gemstone or crystal glows, casting a soft light. The overall composition is centered and balanced, with the text overlaid on the middle ground.

The background features a large, textured red planet with dark, irregular spots and swirls, suggesting a celestial body like Mars. Below the planet, a dark, rocky landscape is depicted with angular, greyish-blue rock formations. The overall color palette is dominated by deep reds, dark greys, and blacks, creating a somber and dramatic atmosphere.

HISTORY.COM

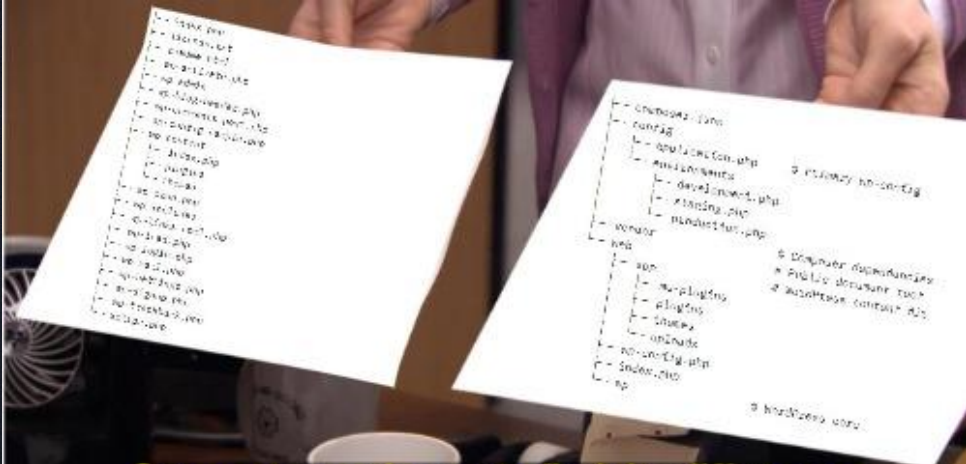

A stylized illustration of a red, rocky tunnel. The tunnel is formed by jagged, layered rock formations that create a sense of depth and perspective. At the far end of the tunnel, a small, glowing blue gemstone is visible, casting a soft light. The overall color palette is dominated by various shades of red and pink, with the gemstone providing a contrasting blue highlight. The word "Bedrock" is written in a clean, white, sans-serif font across the middle of the image.
